

**GEIBEL CATHOLIC JUNIOR-SENIOR HIGH SCHOOL  
PARENT/GUARDIAN CODE OF CONDUCT**

The parents and guardians of Geibel Catholic students are to conduct themselves in a manner consistent with the Catholic identity of Geibel Catholic and the educational philosophy of the Diocese of Greensburg. It is essential that everyone display positive conduct and civility that reflects the values that we adhere to as a Catholic institution.

1. No parent or guardian shall at any time threaten members of the Geibel administration, faculty, general staff, sports game officials, coaches, or players of a competing school.
2. No parent or guardian shall direct verbal abuse towards any member of the Geibel Catholic administration, faculty, general staff, sports game officials, coaches, or players from a competing school.
3. No parent or guardian shall use profane language on the Geibel Catholic campus or in our buildings.
4. Parents and guardians must compose themselves at all times in accordance with the standards of behavior as set forth in our Parent-Student Handbook.
5. Geibel Catholic is a school-wide and campus-wide tobacco-free zone. Use of such is a violation of our behavioral standards.
6. Parents and guardians who have legitimate concerns regarding standards of behavior and language used by Geibel Catholic employees are asked to address their concerns with the principal or athletic director.
7. Parents or guardians violating this code of conduct will be subject to consequences at the discretion of the administration, which could include not being permitted to attend current or future school events. Note that Geibel Catholic is a private/nonpublic institution, and its facilities and grounds are private and not open to the public. Therefore, the administration reserves the right to restrict attendance at school events or admission to school grounds and facilities.
