Disclaimer Notice

The percentages listed on the SCRIP Order Form are estimates only. They are to be used by families to estimate potential savings from using SCRIP. The actual SCRIP credit earned can be more or less than your estimate. GL SCRIP changes the percentages from time to time and does not notify SCRIP volunteers when the percentages change. Percentage changes can be "promotional" (e.g. at Christmas) as well as permanent. SCRIP program volunteers update the SCRIP Order Forms to reflect the most current percentages offered by GL SCRIP to the best of their knowledge.
