IX. Essay/Personal Statement

The objectives of the National Junior Honor Society are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, encourage responsible citizenship, and to develop character in the students at Geibel Catholic Junior High School. Membership in this society is a great honor, not a right. This organization looks upon education as a product measured by five standards: scholarship, service, leadership, character, and citizenship.

Your personal statement is a very important part of the application process in that it helps the faculty council become acquainted with you in ways different from courses, grades, test scores, and other objective data. It also enables you to demonstrate your ability to organize thoughts and express yourself. In your own words, explain in your essay the qualifications you have that exemplify the ideals of the National Junior Honor Society.

Type your essay on the next page. Use 12-point Times New Roman font.
