LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Every believer wonders about what the experience of heaven will be like. Popular images of people walking around in white robes, becoming like angels, and reunions with those who have gone before us all tickle human imagination. Jesus never got too specific about what heaven actually looks like. But he assures us that it exists and that all are alive in God. Clinging to the traditions of our faith, we persevere through life's challenges confident that God's promise of eternal life will come to be. We are told that we shall become like God and see God as He is. As God has made us, He also loves us and sustains us. Desiring to be with God above all other desires gives us the hope that when we close our eyes in death, we will fall into the arms of the One who will gently bring us where we need to be. Knowing ahead of time what we find when we arrive changes little. ©LPi

First Quarter Report Cards

Starting this year, Document Delivery of your child's report card is mandatory. The steps to having that happen are VERY EASY. The attachment, within the newsletter, will walk you through the process. One part of this process is to set up a password so that only you can see the grades. **You would only need to put in a password IF** you have other people who have access to your email and you prefer they do not see the grades. If you can avoid setting up a password, it is highly recommended since most people do not have others sharing your email. Your password for Power School is different from Document Delivery so that tends to confuse people. It is better just to have the one password for Power School. If you have any questions, do not hesitate to contact us. Instructions below the updated School Calendar page
