FinalForms

FinalForms is a new platform that Geibel Catholic is utilizing this school year. It will house all of the beginning of the year forms that are typically sent home during the first week of school. This will also be the area in which you are able to update any general contact, medical, and emergency contact information. As the year goes on, you will also be able to utilize this platform to indicate your child's interest in sports. We are still in the beginning stages of FinalForms full potential. Emails went out on Monday, August 8th to the email that you registered PowerSchool with. If you did not receive the email, the link below will get you to our school's specific forms. If you need assistance with anything, please give us a call at the Main Office or email Mrs. Hernandez at
