SERVICE HOURS... YOU SPOKE, WE LISTENED!

Through feedback from students and parents, the desire to move back to hardcopy service hour tracking has been noted!

Starting on June 2, 2025, students will use this printable sheet to track their service hour progress. (The electronic submissions online link will be removed.)

SERVICE HOURS LOG SHEET

Students will be required to submit their service hours forms to their religion teachers on designated dates throughout the upcoming school year, as listed on the service hours sheet.

It is recommended that a copy be kept for your records, as well; It can be as easy as taking a picture of your service hour sheet before submitting it.

Summer is always a great time to get a jump-start on service hours, so feel free to print out a sheet and get out to be the heart and hands of Jesus in your community! We will provide students with additional sheets once school resumes in August.

Thank you all for the wonderful service that you provide for others!

*Whoever serves me must follow me; and where I am, my servant also will be.
My Father will honor the one who serves me.*
