Geibel Gator Newsletter

As we begin a new school year, we would like to communicate the pick-up procedures for dismissal to help maintain safety for our community during dismissal. (Please refer to the diagram below, as well.):

1. Coming off E. Crawford Avenue into Geibel Catholic's lot, please turn right into the *student* parking lot.
2. Dismissal time is 2:27 p.m. However, all vehicles, including student drivers, will be held in the *student* parking lot until after the buses have departed. We ask that all students and anyone who picks up their student at the end of the day respect this procedure.
3. If the student you are picking up is slow to the car or needs time to load items into the car, consider parking in a parking spot in the student lot to not hold up the movement of the line.
4. As you are circling the student lot in the pick-up line, please do not block the entrance of the student lot, as the cars coming off E. Crawford Avenue have the right of way into the student lot. Cars must safely get off the main road and not back up traffic. Those exiting the student lot, please stop short of the entrance way so the vehicles coming into the student lot have the maneuverability to enter the student lot.
5. Please maintain a safe speed while traveling through the lots and be aware of student movement.
6. Once the buses are out of the Geibel Catholic front entrance way, exit by driving past the school and out of the lot on the Conn Area side of the building.
7. We will have staff in the parking lot to ensure that the procedures are followed. The procedures include, but are not limited to, the aforementioned timing of dismissal as well as vehicles following the flow of the parking lot. Vehicles must enter through the entrance and leave through the exit on the end of the parking lot closest to the Conn Area Catholic entrance.
8. Alternately, parents/guardians will sometimes choose to pull on the berm of Crawford Avenue by the school sign and have their student walk through the grass to the car. Please ensure safety for your student if choosing this option.
9. Please share this with any adult who may be picking up a student from Geibel Catholic.

If you have any concerns, please contact the school office, as safety is a top priority of Geibel Catholic.
