A Note to the Seniors:

Dear Class of 2027 and Parent(s)/Guardian(s):

Even though you may have just picked up your 2026 yearbook, I am already working on planning the 2027 book—the book that will be for your/your student's senior year!

Here are a few things to think about when submitting pictures for the yearbook:

1. Each senior is allocated a one-half page space in the yearbook. Within this space, the following items are included:
   - A. Senior portrait taken by Mr. Brooks
   - B. Any additional senior portraits (usually 1-3 pictures)
   - C. A baby picture (or as young as possible)
   - D. The Senior Bio
   - E. The Parent/Family Message
2. Mr. Brooks will send me copies of the pictures he took at the beginning of the year, so there is no need to send me this picture.
3. Traditionally, one of the picture spaces is for a baby picture that you may wish to submit along with any additional senior year portraits.
4. I will not be emailing information for Senior Bios and Parent/Family Messages until around April 1.
5. Feel free to email all pictures to me at sprocko@geibelcatholic.org. Please remember that all photos need to be sent in JPEG format. Sometimes people accidentally send files in a PDF or PNG format, and these cannot be sized to fit a photo box correctly.
6. I do encourage you to submit pictures. This is the time to shine a spotlight on each senior, giving each the honor earned in achieving a monumental milestone. In striving to show love and support to them, we really do need parent/guardian help. I try to avoid having the appearance of one student having photos and messages and another student having less information and needing clipart to fill up the space. Your assistance is truly appreciated!

If you have any additional questions, please feel free to contact me.

Sincerely,
Mr. Scott Procko
